BIG Bible Town is an online game designed specifically for K-6 children as a Christian alternative to online games such as Club Penguin. *The key difference is that in BIG Bible Town, the mini-games are interactive recreations of Bible stories.* Kids create their own character and explore Bible story adventures to earn game coins, purchase virtual items for their character and home, and make virtual tithes and offerings to grow their church and town.

What Will Kids Learn? BIG Bible Town strengthens scriptural knowledge and Christian character through:

- A fun, game-based learning experience that will grow to over 90 Bible story adventures;
- A virtual economy that encourages children to play each Bible adventure several times;
- A virtual community where children learn about missions, tithing, and working together.

Is It Safe? Absolutely! BIG Bible Town is a completely ad-free, child-safe zone. No personal information is present in the game. All communication among kids is limited to predefined and appropriate messages.

The names and logos related to BIG Bible Town are the property of Third Day Games, Inc. The Club Penguin™ mark is owned by Disney. The Main Street mark is owned by Standard Publishing. Standard Publishing and Third Day Games are not affiliated in any manner.
